REPEAT

The ending of this dance is often done with the following variations:

1. Count 28 done as a pivot to the left swinging the right foot behind as you turn
2. As written but on the opposite feet. (hook left/pivot left)
3. On the opposite feet with a right pivot, swinging the left foot

Some have incorrectly credited Vickie Vance with choreographing this dance. She denied this rumor in a personal conversation in mid to late 1995.
